

Wesley Martin

Chairperson, Great Lakes
Native American Elder
Association & Oneida
Nation Elder

Daniel King

Oneida Nation Elder

A Healthy Community is a Strong Community.

COVID vaccination and boosters can stop the spread and reduce your risk of serious illness. They're safe. They're effective. **And, they're free.**

**We got our COVID-19 vaccination.
Please Get Yours Too!**

If you are concerned about getting a vaccination, please talk with your doctor or health care provider.
